SPECIAL EDITION: URGENT CONSTRUCTION NOTICE

February 2, 2012

Main Building Temporary Entrance Closed

Starting Monday, February 6th through Saturday, February 18th, the Perley and Rideau Veterans' Health Centre main building's temporary entrance will be closed for the installation of underground utilities near the existing temporary entrance ramp. Alternate access to the facility will be through the *Rideau Residence East Entrance Door #1*. Directional signage will be posted accordingly.

Over the next two weeks, additional Accessible and Visitor parking spaces will be relocated to the Rideau Residence parking lot.

Please allow for additional time when entering and leaving the Perley and Rideau Veterans' campus over the next two weeks. Remember to please pay close attention to the safety signage and follow the directions of any traffic flagger or security personnel.

We apologize for the inconvenience that this will cause during the next two weeks and thank you for your patience.

(Note: The dates are weather dependant and may be extended due to inclement weather.)

UPCOMING SITE CHANGES

A Temporary Entrance will be closed from Monday, February 6th until Saturday, February 18th.

B Accessible parking will be relocated to the area indicated for the two week period.

C *Rideau Residence East Entrance Door #1* will be the main public means of accessing the building from February 6th – 18th. Directional signage will be installed.
